## Pictures You Can Hear: Musical Conversation

MUSSORGSKY "Samuel Goldenberg and Schmuyle" from *Pictures at an Exhibition*

### WHAT DO YOU HEAR?

This music was inspired by a portrait of two men: Samuel Goldenberg, and Schmuyle. Buddy shows how you can identify each character through music.

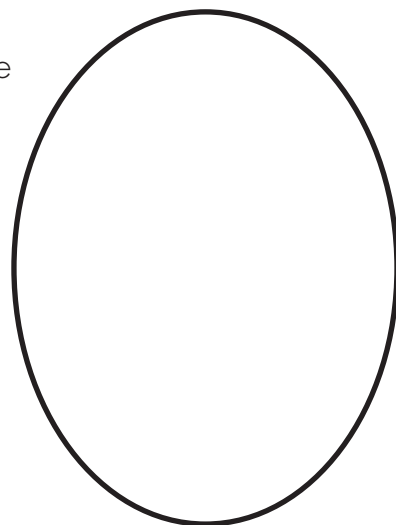

What kind of mood is Samuel Goldenberg in? Does his mood change over time?

---

What do you think he is talking about?

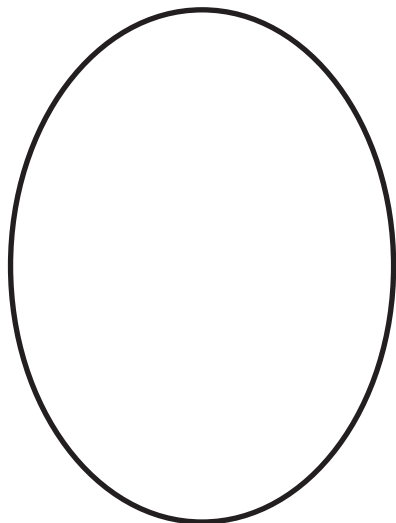

---

---

Based on the music, what do you think Samuel Goldenberg looks like?

Draw a portrait of him in the oval to the right.

What kind of personality does Schmuyle have?

---

What do you think he is trying to say? Is he scared of Samuel Goldenberg?

---

---

Draw a portrait of Schmuyle in the oval to the left.

Do Samuel Goldenberg and Schmuyle ever talk at the same time? What do you think is happening? Are they arguing about something?

---

---

---

---

Buddy tells you that Samuel Goldenberg had the last word. How do you think their conversation ended? Did they come to an agreement?

---

---

---

---
