Lime Jello

BOLCOM Lime Jello

RHYMING GAME

This song uses rhyming words. **Rhymes** are created when words have endings that sound the same or nearly the same, like today and say (below).

These are the first eight lines of the song "Lime Jello." Can you find other rhyming words? Circle them and draw a line connecting the two words.

Ladies, the minutes will soon be read (today) _____
The garden club and weaving class I'm sure have much to (say) _____
But next week is our culture night, our biggest best event
And I've just made a dish for it, you'll all find heaven-sent

It's my lime Jell-O marshmallow cottage cheese surprise
With slices of pimento. You won't believe your eyes!
All topped with a pineapple ring and a dash of mayonnaise
My vanilla wafers round the edge will win your highest praise

What do you notice about how the words rhyme? Is there a pattern?

When two lines rhyme, it is called a **couplet**.
