

THE CLIBURN

Cliburn in the Classroom

presents

Problem Solving

Cara Owens, bassoon/host

Buddy Bray, piano/host

J.S. BACH Sonata for Viola da Gamba in D Major, BWV 1028, mvt III. Andante

SAINT-SAËNS *Scherzo* from Bassoon Sonata in G Major, op. 168

VIVALDI Bassoon Concerto in E Minor, RV 484, mvt I. Allegro poco

BALDWIN River of Light for bassoon and piano

BERNSTEIN "Cool" from *West Side Story*

Problem Solving guides children through the process of making music as a team. Playing music together is a lot of fun, but working in an ensemble of any size can presents problems to solve, just like math problems. Students will also get an up close introduction to the bassoon! Buddy and bassoonist Cara Owens engage students to help them make important decisions about the fun works listed above, including tempo, dynamics, pitch, style, and more.
