Meet Pianist Kenny Broberg MEDTNER Primavera, op. 39, no. 3

MEET KENNY BROBERG

In this episode, Buddy interviews virtuoso pianist Kenny Broberg. What are some interesting things you find out about Kenny?

Kenny worked very hard to become a professional pianist! He mentions that he practiced the piano for several hours each day. What else do you think he had to do to become a professional musician?

If you were to interview Kenny, what other questions would you like to ask him?

WHAT DO YOU HEAR?

Kenny plays a fun piece called "Primavera," or "Springtime." How can music sound like the season of spring?

What are Kenny's right and left hands doing while playing the piece? Circle the correct answer.

Right hand: MELODY HARMONY

Left hand: MELODY HARMONY

Kenny mentions the character of the piece. How would you describe the character of the music? Does it sound like spring, and why or why not? Use musical terms about dynamics, tempo, and other elements in your answer.

What do you concentrate on or think about during this kind of performance?

Do you think practicing ahead of time helps you perform better? Why or why not?
