Singing Game COPLAND "I Bought Me a Cat"

WHAT DO YOU HEAR?

BEFORE YOU WATCH

"I Bought Me a Cat" is a song about many farm animals, including a cat. Have you ever been to a farm? What kind of animals did you see there? Write about your experience at a farm. If you have never been to a farm, write about what animals you expect to see there, and why.

AFTER YOU WATCH

How many farm animals are in the song? Can you remember what they are?

How does this music make you feel? Why?

NOW DRAW!

Create your own drawing of the farm. Can you draw all the farm animals you heard in the song? Also, think back to your earlier answers about the farm and farm animals you may have seen. Be sure to include your favorite animals, too!
