TWO SLEIGH RIDES: COMPARE & CONTRAST

In this episode, we listen to two very different pieces of music, though they both depict a wintry sleigh ride. Let's compare and contrast these two pieces.

First, listen to both of the pieces. Then, compare and contrast them by writing your observations about the music beneath the song titles. If anything is similar, write it in the middle. Think about: tempo (speed), dynamics (volume), pitch (high/low), mood, changes in the music, and other characteristics
